Fellow Portland Yacht Club Members:

The following is the latest list of yacht clubs with which we enjoy reciprocity. It is arranged by cruising area and by state. The information is believed to be current and correct. If you have corrections please notify the PYC Office, Attention: Reciprocals, so that we can update the website and next year's roster. If you need additional information, the reciprocal web site address and telephone number is provided. An excellent resource for reciprocal facilities and marinas is:
